

CITI SOLUTIONS Gets it's Own Fire Tender For Warehouse Safety

CITI Solutions Warehousing & Distribution Pvt Ltd has procured its very own private Fire Tender with water tanker for their 2.5 million sq.ft of warehousing space in Bhiwandi (Maharashtra). Mr. Pravin Shimpi (MD & Founder at CITI Solutions) emphasizes on the slogan "Safety Comes First" and to cater to these needs, has deployed a Fire Tender to safeguard CITI Solutions Warehouses and employees. The stationed Fire Tender helps to extinguish early attempts of fire. This accessible Fire Tender is useful for the local communities to keep them safe, in the case of need.

Our Seven expert trained Firefighting crew members are 24*7 stationed in the premises to help our Safety department, keep up with their needs.

During Safety Week, our CITI Safety Team organized a complete demonstration of the fire drill, to create awareness among the employees regarding firefighting techniques and ways to respond swiftly in times of such emergencies. Daily Fire Drills help our firefighting crew to stay alert and spontaneously react when such emergencies arise.
